December 7th , 2023

The Plamondon Volleyball Club Wolfpack is preparing for the upcoming 2024 Club Volleyball season; tryouts are complete and the teams are ready to begin training. This year we are pleased to offer six teams: 14U Girls, 15U Girls, 16U Girls and Boys, 18U Girls and Boys. The teams are comprised of players from the communities of Lac La Biche, Plamondon, Athabasca, Wandering River, Smoky Lake, Mallaig, St.Paul and Boyle. Teams practice two nights a week, beginning in early January, and participate in tournaments in Edmonton, Red Deer, Red Deer and Calgary throughout the season.

Our coaches and parents are pleased our youth have an opportunity to participate in this community club, providing them with activities after school and on weekends. Participating in team sports fosters a positive environment for youth, building confidence and pride in one's own abilities, as well as building character and interpersonal skills.

PVCW appreciates the support our teams receive from our local businesses. Each season players are given the opportunity to seek business sponsors who may be interested in displaying their logo on the club warm up shirts. Businesses which make a donation of \$250.00 or more will have their logo displayed on the warm up shirts. Donations less than \$250.00 are appreciated; however logos will not appear on the warm up shirts. Vectorize logo need to be sent using our website at www.plamondonvc.ca prior to January 9th , 2024.

Warm up shirts will be worn at tournaments; before each match, in between matches, and out in the community. Your generous sponsorship will assist with registration fees, travel expenses, and associated expenses for the team members and coaches.

We would like to thank you for considering this opportunity to support our youth. If you have any questions regarding our organization please feel free to contact Etienne at 780-337-4017.

Sincerely,

Plamondon Volleyball Club Wolfpack
